

BENEFITS OF MEMBERSHIP OF RDI

Join a vibrant Irish community of dedicated people facing similar issues and strengthen the voice of people living with rare diseases in Ireland.

What are the benefits of membership of RDI?

- Being part of a community of rare disease patient organisations across Ireland.
- Being represented at key Irish Institutions, such as the HSE's National Rare Diseases Office and National Clinical Programme for Rare Diseases, the Department of Health, the National Centre for Pharmaco-Economics (NCPE), the Rare Disease Taskforce and at all stakeholder forums.
- Participate in RDI Membership Meetings, conferences and capacity building workshops.
- Be listed on the RDI website with a direct link to your website.
- Take part in our projects and participate in regular surveys.
- Contribute to RDI's strategic position through its Position Papers, Committees and Policy Task Forces.
