Eamonn O’Neill

Eamonn has 40 years of experience in accounting and finance and currently works as an independent finance consultant. Eamonn qualified as a Chartered Accountant with PKF and has worked with The Rehab Group and with SAS Software in Germany. He has held director level roles at Xerox and Jazz Pharmaceuticals.

Eamonn is married with four adult children and lives in Navan.

Having successfully overcome stage 3 melanoma in 2025, he is now keen to contribute his professional and personal experiences and expertise to supporting the goals of Rare Disease Ireland.
